

Industrial Hygienist/Field Environmental Scientist

**Position Description
Rev. 2024.08.01**

Position Summary

True North Consultants is a growing environmental consulting firm that offers continuing growth, stable leadership, and views employees as valuable resources. We are seeking a self-motivated Industrial Hygienist, with 2+ years of experience, to join our team in Naperville, Illinois, and become an integral part of our continued success.

Essential Duties and Responsibilities

- Perform basic industrial hygiene assessment and sampling collection tasks, including asbestos, lead, mold, and polychlorinated biphenyls (PCBs)
- Oversee asbestos, lead, mold investigation and remediation projects, and other industrial hygiene/environmental projects
- Preparation of field documents (notes, forms, photographs, figures, logs)
- Field equipment operation
- Technical report preparation and editing
- Communicate project task status, schedules, findings, and recommendations to staff and senior consultants
- Local travel of 50-75% is expected; nationwide travel is possible, and 2nd/3rd shift or weekend work may be required

Minimal Qualifications

- BA/BS in Industrial Hygiene, Environmental and Occupational Health, Environmental Science, or another related STEM field (Chemistry, Biology, Life Sciences)
- 2+ years of experience with asbestos inspections or another related industrial hygiene practice area; with preferred added experience in environmental sciences, mold, lead, field sampling, and data collection; and the ability to calibrate/operate sampling equipment
- Proficiency in Microsoft Office, particularly Excel and Word and related software; drafting reports; and understanding and interpreting construction documents, laboratory data, and regulations
- Current IL Asbestos Project Manager License, Asbestos Inspector License, and NIOSH 582 Microscopy Training are required
- Applicable Mold, Asbestos, Lead, and Air Sampling certification/licenses are preferred
- Professional Licenses/Certifications Preferred: OSHA 40-hour HAZWOPER
- A valid driver's license and personal vehicle are also required
- Medical approval by the Company's appointed physician, after employment is accepted, prior to the first day of work
- The ideal candidate is a self-motivated individual with superior communication skills who excels in a team environment

Industrial Hygienist/Field Environmental Scientist

**Position Description
Rev. 2024.08.01**

Physical Requirements

- Able to lift a minimum of 40 pounds.
- Perform sedentary work requiring exerting up to 10 pounds of force occasionally.
- Visual acuity.
- Hearing and talking to perceive the expression and exchange of ideas.
- Walk and climb over rough terrain.
- Perform moderate physical tasks.
- Work in inclement weather conditions and temperature extremes.
- Work around potential hazardous or noxious materials and be able and willing to don personal protective equipment.

The company is an Equal Opportunity/Affirmative Action Employer, a drug-free workplace, and complies with ADA regulations as applicable.
