True North Consultants is a growing environmental consulting firm that offers continuing growth, stable leadership, and views employees as valuable resources. We are seeking a self-motivated Industrial Hygienist, with 3-7 years of experience, to join our team in Naperville, Illinois, and become an integral part of our continued success.

### **Essential Duties and Responsibilities**

- Perform industrial hygiene assessment and sampling collection tasks, including asbestos, lead, mold, and polychlorinated biphenyls (PCBs).
- Oversee asbestos, lead, mold investigation and remediation projects, and other industrial hygiene/environmental projects.
- Preparation of field documents (notes, forms, photographs, figures, logs).
- Preparation of proposals and management of project budgets and deliverables.
- Field equipment operation.
- Operate field equipment and calibrate instruments for accurate sampling.
- Communicate project task status, schedules, findings, and recommendations to staff and senior consultants.
- Local travel of 50-75% is expected; nationwide travel is possible, and 2nd/3rd shift or weekend work may be required.

### **Minimal Qualifications**

- BA/BS in Industrial Hygiene, Environmental and Occupational Health, Environmental Science, or another related STEM field (Chemistry, Biology, Life Sciences).
- 3-7 years of experience with asbestos inspections or another related industrial hygiene practice area; with preferred added experience in environmental sciences, mold, lead, field sampling, and data collection; and the ability to calibrate/operate sampling equipment.
- Proficiency in Microsoft Office, particularly Excel and Word and related software; drafting reports; and understanding and interpreting construction documents, laboratory data, and regulations.
- Current IL Asbestos Project Manager License, Asbestos Inspector License, and NIOSH 582 Microscopy Training are required.
- Applicable Mold, Asbestos, Lead, and Air Sampling certification/licenses are preferred.
- Professional Licenses/Certifications Preferred: OSHA 40-hour HAZWOPER
- A valid driver's license and personal vehicle are also required
- Medical approval by the Company's appointed physician, after employment is accepted, prior to the first day of work
